## MEMBERSHIP

Stamp Out Spiking offers membership to organisations of all sizes. Membership showcases your support for combating spiking while providing access to our spiking awareness resources.

Your membership fees directly contribute to our advocacy efforts, helping us drive meaningful change and support victims.

## CAMPAINING

Specialising in national campaigns, we partner to raise awareness and influence policy.

Our research-driven approach ensures impactful advocacy for the public, stakeholders and authorities alike.

## A VOICE FOR VICTIMS

Stamp Out Spiking supports victims who have sadly been overlooked, or let down by other services.

- **70% of Young Adults** are affected by Drink Spiking
- **97.64% Of Spiking Victims** Don't Report To The Police

We amplify victims' stories anonymously through national media to expose the hidden impacts of spiking.

## EDUCATION

Our Spiking Awareness Training safeguards your organisation by covering symptoms, impact and preventive measures.

Our courses are available face-to-face, online and through Train the Trainer programs.

## EXPERT WITNESS

Dawn Dines, our CEO, is a leading advocate against spiking and a seasoned public speaker.

She has testified as an expert witness for the Home Affairs Committee and contributes to round table discussions in England & Scotland.
